About the Ministry

The Ministry of Development of North Eastern Region (DoNER) was constituted, first as a Department in 2001 and then as a Ministry in 2004, basically for better coordination between the State Governments of North Eastern Region and the Central Ministries/ Departments of Government of India. It is the only Ministry with a territorial jurisdiction and functions to coordinate the developmental efforts in the North Eastern Region (NER).

Ministry implements the following four schemes:

- **Schemes of North Eastern Council (Schemes of NEC)** - aimed at supporting new projects for the focused development of deprived areas, upliftment of neglected sections of society, and advancement of emerging priority sectors across the North Eastern States.
- **North East Special Infrastructure Development Scheme (NESIDS (Roads))** - for Road Infrastructure
- **North East Special Infrastructure Development Scheme (NESIDS (OTRI))** - Other than Roads Infrastructure
- **Prime Minister's Development Initiative for North East Region (PM DevINE)** - aimed to promote social development based on regional needs, generate livelihood opportunities for youth and women, and address critical sectoral gaps.

All these schemes are 100% funded by the Central Government.

Also, this Ministry implements the **Special Development Packages (SDP)** for the **Bodoland Territorial council (BTC)**, **Karbi Anglong Autonomous Territorial council (KAATC)**, **Dima Hasao Autonomous Territorial Council (DHATC)**, **Adivasi Groups of Assam**, **DNLA-DPSC of Assam**, **ULFA Groups of Assam** and **NLTF-ATTF of Tripura** as per the Memoranda of Settlement.

As part of broader support to the region, the Government introduced the 10% Gross Budgetary Support (GBS) policy in 1996, under which all non-exempted Central Ministries/Departments must allocate at least 10% of their budget for schemes in the North Eastern States. This system has been implemented in a structured manner since 2014–15 to ensure higher fund flow and faster development in the region. Ministry of Development of North Eastern Region monitors the allocation and spending under this policy on a quarterly basis through an MIS portal and reports the progress to the Ministry of Finance.
